**THE GUIDE FOR STUDENTS WHO
WANT TO EXPERIENCE AUSTRALIA.**

WORLD READY

WELCOME TO ECU

IT WAS A BIG STEP TO CHOOSE TO COME ALL THE WAY TO PERTH TO STUDY, BUT I HAVE NOT LOOKED BACK.

Studying at ECU has rewired my outlook on possibilities in life – both professional and personal. I love how ECU units are hands-on, giving valuable real-life skills. That, combined with ECU's modern campus, teaching quality and staff support, have made my studies at ECU both smooth and enjoyable. Perth is an amazing place to live in and if you ask me, the coastline of Western Australia is the most spectacular in the world! I highly recommend combining your studies at ECU with travels in this amazing region.

YEAR-ROUND OUTDOOR LIFESTYLE

Perth is renowned for its year-round outdoor lifestyle. Consistently ranked as one of the most liveable cities in the world, it boasts a Mediterranean climate and some of the most iconic beaches in Australia. A city of two million people, Perth offers big city attractions combined with small town friendliness.

PERTH IS ONE OF THE WORLD'S HEALTHIEST AND SUNNIEST CITIES!¹

Perth enjoys the most days of sunshine of all of Australia's major cities! The mild climate, endless blue skies, fresh air and brilliant white beaches are hard to beat! Even in winter, Perth enjoys plenty of warm sunshine.

FREE BUS NETWORK

Perth's CAT (Central Area Transit) bus network in the Perth city centre, Fremantle and around ECU's main campus in Joondalup is fast, convenient and free. International students receive 40%-45% discount on all other local transport in Perth.

PERTH IS THE BEST VALUE CAPITAL CITY IN AUSTRALIA²

According to the Economist Intelligence Unit's Worldwide Cost of Living Survey in 2017, Perth is the least expensive capital city in Australia.

The survey, which included 133 cities worldwide, measured the costs of over 400 items, including accommodation, food, transport and entertainment.

STUDENT JOBS

Earn pocket money and gain work experience whilst in Perth! International students on a Student Visa are allowed to work part-time, up to 40 hours per fortnight. The minimum wage is currently AUD \$18.93 per hour, and most international students work in hospitality, retail and administration roles in Perth.

PERTH & WESTERN AUSTRALIA TOP 10 EXPERIENCES

CITY BEACHES

Perth boasts some of Australia's trademark beaches within a short distance from the city centre. Picture-perfect Cottesloe Beach, for example, is just 15 minutes' train ride away. Perth is the only major Australian city with sunsets over the ocean!

ROTTNEST ISLAND

Perth's favourite playground and weekend getaway, also known as Rotto, is only 1.5 hours from Elizabeth Quay or just 30 minutes from Fremantle by ferry. The best way to see the island is by hiring a bike. Explore some of the 63 pristine beaches – and don't forget a selfie with Rotto's most famous resident: the quokka.

MARGARET RIVER

Australia's premium wine region is also home to some of the most spectacular white-sand beaches in the world. Only three hours south of Perth, Margaret River makes an ideal weekend trip destination. For that Instagram-perfect sunset photo, head to Sugarloaf Rock.

THE PINNACLES

A moon-like desert three hours north of Perth, the Pinnacles are truly otherworldly. The stunning limestone formations are best viewed and captured at sunset. Make sure to visit nearby Cervantes to try their famous seafood.

FRINGE WORLD FESTIVAL

Fringe is the annual highlight of Perth's summer events calendar. This six-week long festival sets Perth on fire every January and February, with parks and squares turning into entertainment zones filled with comedy, cabaret, circuses and much more.

CYCLING IN PERTH

Perth has arguably some of the best cycling tracks in the world, with routes along the river, beaches and parks. One of our favourites is the loop from Elizabeth Quay to East Perth and South Perth foreshore.

FREMANTLE

Historic Fremantle is a lively port city only half an hour from Perth. Famous for its unique architecture, markets and mouth-watering gelato, Fremantle makes a great short trip any time of the day!

KINGS PARK

One of the largest inner-city parks in the world, Kings Park is an urban oasis overlooking the Perth city skyline. This is one of the best picnic spots in town!

NINGALOO REEF

White-sand beaches, aquarium-like waters and an impressive array of marine life makes the World Heritage-listed Ningaloo Marine Park a trip to remember. Ningaloo is great anytime of the year – many head there between March and August for the whale shark season.

OUTDOOR CINEMAS

Perth's balmy summer evenings are ideal for an evening at the outdoor cinema. There are several open air options, including one on ECU's Joondalup Campus!

FREQUENTLY ASKED QUESTIONS

Q _____

WHAT DO YOU MEAN BY "UNIT"?

A _____

A unit just refers to the different subjects you enrol in as part of your Study Abroad course. So you would enrol in 3-4 units per semester at ECU.

Q _____

WHY DO I HAVE TO CHOOSE MY UNITS WHEN I APPLY?

A _____

We assess you for units at the same time we assess you for course entry. This saves a lot of time later. How? Well, some units will have what we call prerequisites, which are really just entry rules. By assessing you against these rules early, you can have a smooth Acceptance and Enrolment process once you get an offer.

Q _____

THERE ARE SO MANY UNITS. HOW DO I KNOW WHICH ONES WILL SUIT ME?

A _____

You have lots of options: you can look at the unit outlines on the ECU handbook, chat to one of our education agents, or shoot us an email international.office@ecu.edu.au Better still, head to page 12-16 of this brochure and see if anything matches your current interest or study direction.

Q _____

HOW MANY CREDIT POINTS SHOULD I ENROL IN?

A _____

The minimum enrolment is 45 credit points, but 60 credit points is popular too. Just keep in mind that 45-60 is a full-time study load. Anything higher could be difficult to manage.

Q _____

WHAT ARE THE STUDY ABROAD FEES LIKE?

A _____

In 2020, 45 credit points is AUD \$5,025 and 60 credit points is AUD \$6,700. These fees apply to most of our units, but not all of them. ECU or your agent can let you know more. You can also head to our Fees Calculator to review prices <https://apps.ecu.edu.au/fees-calculator/>

Q _____

WHAT ARE THE ACADEMIC AND ENGLISH ENTRY REQUIREMENTS FOR STUDY ABROAD?

A _____

You will need to meet standard ECU entry requirements for an undergraduate (UG) or postgraduate (PG) ECU course. For example, we accept a number of English exams that meet entry, but you will need to meet the minimum score we've set for UG or PG. Head to <https://www.ecu.edu.au/future-students/course-entry/study-abroad> for more information. Remember that you can apply to be assessed in full, so if you're unsure, submit today.

Q _____

CAN ECU HELP ME APPLY FOR A STUDENT VISA?

A _____

We can't help you apply for a visa directly, but we do have support in place. Please chat to an ECU authorised representative <https://www.ecu.edu.au/future-students/applying/find-an-authorized-agent> You can also find out more via the Department of Home Affairs.

Q _____

DO I NEED TO HAVE HEALTH COVER?

A _____

Yes. You will need to have Overseas Student Health Cover (OSHC). It is compulsory for a Student Visa. Medibank is ECU's preferred provider, but you can opt for any Government Registered Provider. Your offer letter tells you more.

Q _____

WHAT IS THE BEST WAY TO GET FROM THE AIRPORT TO MY ACCOMMODATION?

A _____

You can register online for the ECU Airport Reception Service. It costs AUD \$110 but it'll be reimbursed to you as you a Co-Op Shop voucher. Alternatively, Uber is available in Perth.

Q _____

IS ORIENTATION COMPULSORY?

A _____

Some Orientation events are essential and some are highly recommended. Orientation activities will give you an important head-start to support you to succeed in your studies and get the most out of your course. See online for more details.

Q _____
