Application Tips

Developing your study plan: You will need to find and select the classes (units) you wish to study as part of your application to Swinburne. You will need to list a possible 8 classes on your application.

Search for subjects: You can search for classes by using our [Single Unit Search](#). You can then select any individual class to get a detailed unit description. You can also search more broadly through our [areas of study](#).

It is the students' responsibility to make sure that the classes/units chosen will be credited back to their home university.
