Day trips

Rottnest Island

Northbridge

Northbridge is home to Perth's Cultural Precinct. Visit one of the free museums or art galleries, watch a performance at the State Theatre Centre of Western Australia, and indulge in food from around the world at one of the many cafés and restaurants. At night, Northbridge comes alive with the bar and club scene

Kings Park

Located across from UWA and next to the CBD is Kings Park. Larger than Manhattan's Central Park, Kings Park offers spectacular views over the city and Swan River. Explore the park's Botanic Gardens, walk the suspended bridge over the tree tops, or watch a movie under the stars in the outdoor cinema

Cottesloe Beach

Just a 10 minute drive from UWA is Cottesloe Beach. Famous for its swimming, surfing, Indian Ocean sunsets, lively Sunday sessions and world-class annual sculpture park exhibition. Walk along the white sand beaches or dine at one of the stylish eateries overlooking the beach.

Day trips

Swan Valley

Perth's premier wine and food destination and Western Australia's oldest wine growing region, situated just 25 minutes from Perth City. With world-class wineries, restaurants, cafes, fresh producers, breweries, distilleries, arts, crafts, tours and accommodation

The Pinnacles

Located three hours north of Perth is the lunar-like Pinnacles which form one of Australia's most unique and fascinating natural landscapes.

Margaret River

Located three hours south of Perth in one of the world's 36 biodiversity hotspots is Margaret River. Rolling vineyards meet breathtaking coastal and forest scenery. Experience award winning wineries and restaurants, stunning beaches, tall-timber forests, world-class surf breaks and ancient caves.

Karijini National Park

Two billion years in the making, Karijini National Park is one of Western Australia's most spectacular natural attractions offering amazing hiking trails through ancient gorges. With massive gorges, crystal clear rock pools and waterfalls, Karijini National Park is a must for anyone with a thirst for adventure.

Valley of the Giants

The Valley of the Giants is an iconic forest region located 4.5 hours south of Perth. The area is world famous for the Tree Top Walk suspended 40 metres high in the canopy of the ancient tingle forest.

You can dive, surf, fish, canoe or walk amongst the flora and fauna along the Bibbulmun Track, beaches and coastal ridges.

Ningaloo Reef

The World Heritage listed Ningaloo Reef is internationally recognised as one of the planet's last great ocean paradises. Swim with the world's biggest fish, the whale shark or join an eco-adventure tour to view a huge variety of marine wildlife including sea turtles, humpback whales, orcas (killer whales) dugong, manta rays, reef sharks and much more!

Cable Beach

Broome's Cable Beach is justifiably world famous for its 22 kilometres of sun-kissed white sand, turquoise water and spectacular Indian Ocean sunsets.

But what really gives it a top spot on the must-do list is the experience of taking in all its tropical splendour from the seat of a camel train
