If you need to take a course that is not on this list, please contact visiting@hpu.edu.

Our introductory courses start at level 1000. Course difficulty increases with higher codes. If you do not have a background in the field, please consider taking lower level courses. ***Undergraduate students cannot enroll in graduate courses and vice versa- students cannot mix levels.***

IMPORTANT NOTE:

- Visiting students cannot take courses on a military base—instead, students may take courses at the Downtown, Hawaii Loa, or Oceanic campuses.
- If you plan to receive government funding or your home university has specific course requirements, it is your responsibility to make sure the courses you select at HPU will be approved.
- *Actual availability of courses may change. Since there are sometimes several schedule options for one course, you must make sure your course schedule fulfills any relevant requirements.*
