

UTS 30th Anniversary - Study Abroad Accommodation Scholarship

In 2018 it has been 30 years since the establishment of the University of Technology Sydney (UTS). To celebrate this, we offer an On Campus accommodation scholarship to a maximum of 20 students who participate in a study abroad program in the 2018 academic year.

WHY LIVE ON CAMPUS?

- > It is a great way to meet new people!
- > The accommodations are comfortable, affordable and in the heart of the city. They all have common spaces where you can relax, socialise, play, study and learn.
- > Our Residential Networkers offer you support, help organise events and promote your safety and wellbeing.
